Objective

Intermediate Frontend Developer with a strong foundation in **JavaScript, HTML, and CSS**, passionate about creating **responsive** and **user-friendly web applications**. I thrive in collaborative environments and consistently deliver high-quality results.

Currently transitioning into **Full-Stack Development**, I utilize my expertise in **Next.js, TailwindCSS, React**, and **Node.js** to develop **innovative** and **scalable solutions**. Alongside my web development experience, I am expanding my skills in **mobile development**, exploring frameworks like **React Native** to build intuitive and accessible mobile applications.

Experience

FRONTEND DEVELOPER – INTERNPULSE

(Remote – Lagos, Nigeria | Aug 2024 – Oct 2024)

- Developed **interactive web interfaces** using modern tools like **Next.js, TailwindCSS**, and **Vite**, improving overall website performance by **30%**.
- Collaborated with a cross-functional team to integrate interactive features, ensuring a seamless user experience.
- Streamlined the development process by leveraging **Git**, enhancing version control efficiency.

HACKATHON PARTICIPANT – ETHCAPE HACKATHON

(Cape Town, South Africa | Sep 2024)

- 1st Place Winner** in the **SocialFi track**, leading frontend development on a SocialFi app.
- Built the application using **React Native** and **Expo Router**, implementing a sleek design with **TailwindCSS** and **NativeWind**.
- Delivered the prototype in **three days**, demonstrating strong teamwork and problem-solving skills under pressure.

Education

Impact School

(April 2024)

Major: **Software Engineering** | Minor: **Computer Science**

H

UBiquitous Waziup Technologies (April 2024 - Jun 2024)

Major: **IoT Certification**

Methodist High School

(Jan 2018 – Nov 2022)

Major: **Lesotho General Certificate of Secondary Education (LGCSE)**

PROJECTS

- **Crypto Market Tracker:** Built with **React** and **Chakra UI**, featuring real-time API integration for crypto data. Achieved **90% customer satisfaction** from beta users.
- **SocialFi App Prototype:** Won hackathon prize by developing a decentralized social news app with **Expo Router**, **TypeScript**,
- **Fully responsive website:** Developed a fully responsive website for a printing and branding business using **Next.js** and **Tailwind CSS**, successfully deploying it to enhance user engagement.
- **Property Hive**
- : a web app that real estate companies to showcase their properties and buyers to purchase properties from within the web app,Built with **React.js**, **Tailwind Css** and **Redux** for frontend. Backend is made with **Django** and **Express**.

EXTRA CURRICULARS

- **EthCape Hackathon Winner** – SocialFi App (Sep 2024)

Skills and Abilities

TECHNICAL SKILLS

- **Frontend Development:** Proficient in HTML, CSS, JavaScript, React, Next.js, and TypeScript. Experienced in building responsive and user-friendly web interfaces.
- **Styling & Design:** Skilled in TailwindCSS, Chakra UI, Figma, and responsive web design principles to deliver visually appealing and intuitive applications.

- **Backend Development:** Familiar with MongoDB, Firebase, Supabase, and Node.js for creating scalable and efficient backend systems.
- **Tools & Platforms:** Adept at using Git for version control, Vite for development, and Adobe Photoshop for visual design enhancements.

CORE ABILITIES

- **Problem-Solving:** Strong analytical and debugging skills, enabling efficient resolution of technical challenges.
- **Collaboration:** Experienced in working within cross-functional teams, ensuring seamless project delivery through effective communication and coordination.
- **Adaptability:** Quick learner who embraces new technologies and development practices to stay ahead in a fast-paced tech environment.
- **User-Centric Design:** Focused on delivering exceptional user experiences by understanding end-user needs and incorporating feedback into iterative designs.
- **Time Management:** Proven ability to meet deadlines in high-pressure settings, as demonstrated during hackathons and team projects.
